It was lovely to see our county championships full this year. Apologies to those who did not get exactly the sessions they wanted and thanks to those who accepted this situation without rancour! As a result, the date and venue for next year has still to be arranged and will be posted on the HAA site asap. Thank you to all those who helped make the day run smoothly, particularly Margaret, Paul, and his team from A C Delco, and all those who helped in many ways. Also a big thank you again to our judges, Keith and Gwen.
