Please note the following, as scores or hits differ from what was signed for. These errors were found because the Odds & Evens golden rule did not match.

This is not a moan but is to make the archers aware.

We had 5 score sheets where the hits were incorrect.

Target 5 the Hits & Golds were not added up.

Target 10 had no hits or golds listed, only the score and running total were listed.

4 scores were added incorrectly.

Please be aware these errors create more work for the organisers when producing the results

I once again would like to thank Our judge Maggie Woolf and Field Captain Mike Ney, Barbara and Nikki for the catering and Guildford members for their assistance during the day

To any that were affected by any errors or disappointments with the awards please accept my apologies these are sometimes due to the changes on the day.

Hope you all had a enjoyable day and look forward to seeing you again next year, 20th June 2009
